Roberts	393	466	557	647

Jefferson County is located in eastern Idaho. It ranks 17th among Idaho counties in population and 28th in area. The federal government owns nearly 47 percent of the county. Agriculture and food processing are the largest basic industries and dominate the economy, but government and trade sectors provide the largest employment. Annual average total civilian employment increased 27.3 percent from 1991 to 2001. Major employers include Blain Larsen Processing, Inc., Broulim's Food Stores, Idaho Fresh Pak, Inc., Idaho Pacific Corporation, Rigby Produce, Inc., Jefferson County and Ririe School districts, and the Idaho Department of Transportation.

Inventor Philo T. Farnsworth of Rigby devised a practical system of television broadcasting while at Rigby High School. At the age of 20 he produced the first all-electronic television image.
